

AT-A-GLANCE

OVERVIEW

701 EAST TRADE ST.

CENTRA brings a carrier neutral carrier hotel and Meet-Me-Room (MMR) to the Carolinas' most connected telecom location. Offering a range from single cabinets with 1N power and N+1 cooling to dedicated suites, to multiple diverse network points of entry, with a Meet-Me Room for easy connections

With a rich group of fiber and IP service providers within the building today, and home to the North Carolina – IX internet exchange, CENTRA offers high security with stable and resilient interconnection capabilities.
